

## Book-at-a-Time Bible Reading Plan

The book at a time reading plan gives you two sections of Scripture to read from each day - mixing Old and New Testament, the Gospels and the poetic books of the Old Testament. To help you not discouraged if you get behind, there's 25 readings per month - allowing you to meditate/study longer on a particular passage, spend a day reading a favorite segment of Scripture or to catch up. Even though the reading plan starts in January, you can use the calendar starting from whatever date you want!
